

Showroom Consumer Demo COVID-19 Safety Guidelines

To help prevent the spread of COVID-19 at the Sub-Zero, Wolf and Cove Showrooms and demonstration areas, we have implemented the following for our staff and buildings:

- Clean and wipe down of surfaces after every appointment
- Additional professional deep cleanings of the showroom on top of our thorough daily cleaning
- Masks for all showroom employees and culinary staff
- Daily temperature checks for all showroom employees
- Increased availability of hand sanitizer and handwashing instructions for our staff
- Maintaining six feet of social distance when possible
- Reduced guest capacity for demonstrations
- Placed health safety shields as an extra precaution between demo guests
- Individually plated and served dishes with no cross sharing between parties
- Requiring staff members who feel ill or have any symptoms of COVID-19 to stay home

We also ask that all Showroom Consumer Demo Guests acknowledge the below statements to help reduce the spread of COVID-19:
